

**WORLD**  
in Stockholm,  
August 31-September 5, 2014  
**WATER**  
**WEEK**

Presentation from the  
**2014 World Water Week in Stockholm**

[www.worldwaterweek.org](http://www.worldwaterweek.org)

# Australia's Murray–Darling Basin

# Alignment of different factors

- Sound public policy
- Severe drought made action compelling
- Political support at highest levels
- Building on legacy of previous reforms
- Resilience
